Dear [REDACTED],

**Freedom of Information Request: 462022**

Following your email dated 20<sup>th</sup> February 2023 requesting the following:

I'd like to know how many current 'Members of the Board' in the Construction Industry Training Board are "qualified tradesmen or tradeswomen" and have completed an apprenticeship within the Construction Industry.

If any, can you provide me with the type of apprenticeship, and how long the apprenticeship lasted and what trade body accredited it.

The response is as follows:

The information you have requested regarding apprenticeships completed by the current CITB board is not held by CITB.

All CITB Board Trustees are appointed by the Department for Education and therefore CITB does not have sight of any of the applications (including such info as CVs). In addition, Trustees are not CITB employees therefore we do not hold any HR records for them.

Information around our Board Trustee's is published via the CITB website: -

[Members of the board - CITB.](#)

Alongside this background information about each Trustee is also included in the CITB's Annual Report & Accounts. A copy of the most recent report can be found here: -

[Annual review, report and accounts - CITB](#)

If you are unhappy with this response, or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied, then you may apply for an independent internal review by contacting Adrian Beckingham, Corporate Performance Director, CITB, Sand Martin House, Bittern Way, Peterborough, PB2 8TY or email [adrian.beckingham@citb.co.uk](mailto:adrian.beckingham@citb.co.uk).

If you remain unhappy following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Further details of the role and powers of the Information Commissioner can be found on the Commissioners website: <https://ico.org.uk/>

Yours sincerely

Jonathan Francis  
Information Risk & Data Governance Manager
