

Attachment 1 – The document contains 2 schedules, one for the original payment schedule and one for a new payment schedule relating to contracts/fund agreements

You state the “original key outputs” of Roofcert were set on 01/01/2018 and have since been updated or replaced. Please provide these updates or advise where they can be accessed and viewed.

Attachment 3 – A contract variation was completed to include a workstream to support Rainscreen cladding. This included funding of £50k for the pilot of 100 operatives for Rainscreen, with £35k going towards training and £15k for monitoring, assessment design and evaluation from NFRC.

You state a Review of the Roofcert scheme has been produced. Please provide the review or advise where it can be accessed and viewed.

Attachment 4 – Final evaluation report.

You state that information about whether CITB is continuing to fund RoofCert is not available at this time. Please advise if it is now available and where it can be accessed and viewed. If it is not available, please explain why not.

CITB has recently published its latest business plan and accompanying blog can be found at: <https://www.citb.co.uk/about-citb/news-events-and-blogs/our-plan-to-put-employers-in-the-driving-seat/>

In relation to the RoofCert accreditation project, CITB will take findings from the final evaluation report, performance of the project and our future strategic plans before any commitment to future funding is made but remain committed to supporting the roofing sector through its various mechanisms including the development of standards, grants, competence frameworks and the funding of pilots and projects.

Who is the Strategic Lead responsible for training pathways at CITB
